### Pastoral Point to Ponder

*Reformed & always reforming* sounds really nice, as a motto, as a cool brand, but in reality, when God asks us to be always reforming, He's not just talking about a different look – a little cleaning up; sprucing up ourselves - Rather He is looking for us to become more and more sound in the faith - more and more conformed according to His word and unto the likeness of His own dear Son, the Lord Jesus Christ!

***So come on 'Titus', reform us evermore!***
